

# WASTEWATER DRAINAGE LAYOUT

(SCALE 1:1250 @ A1, 1:2500 @ A3)

## NOTES

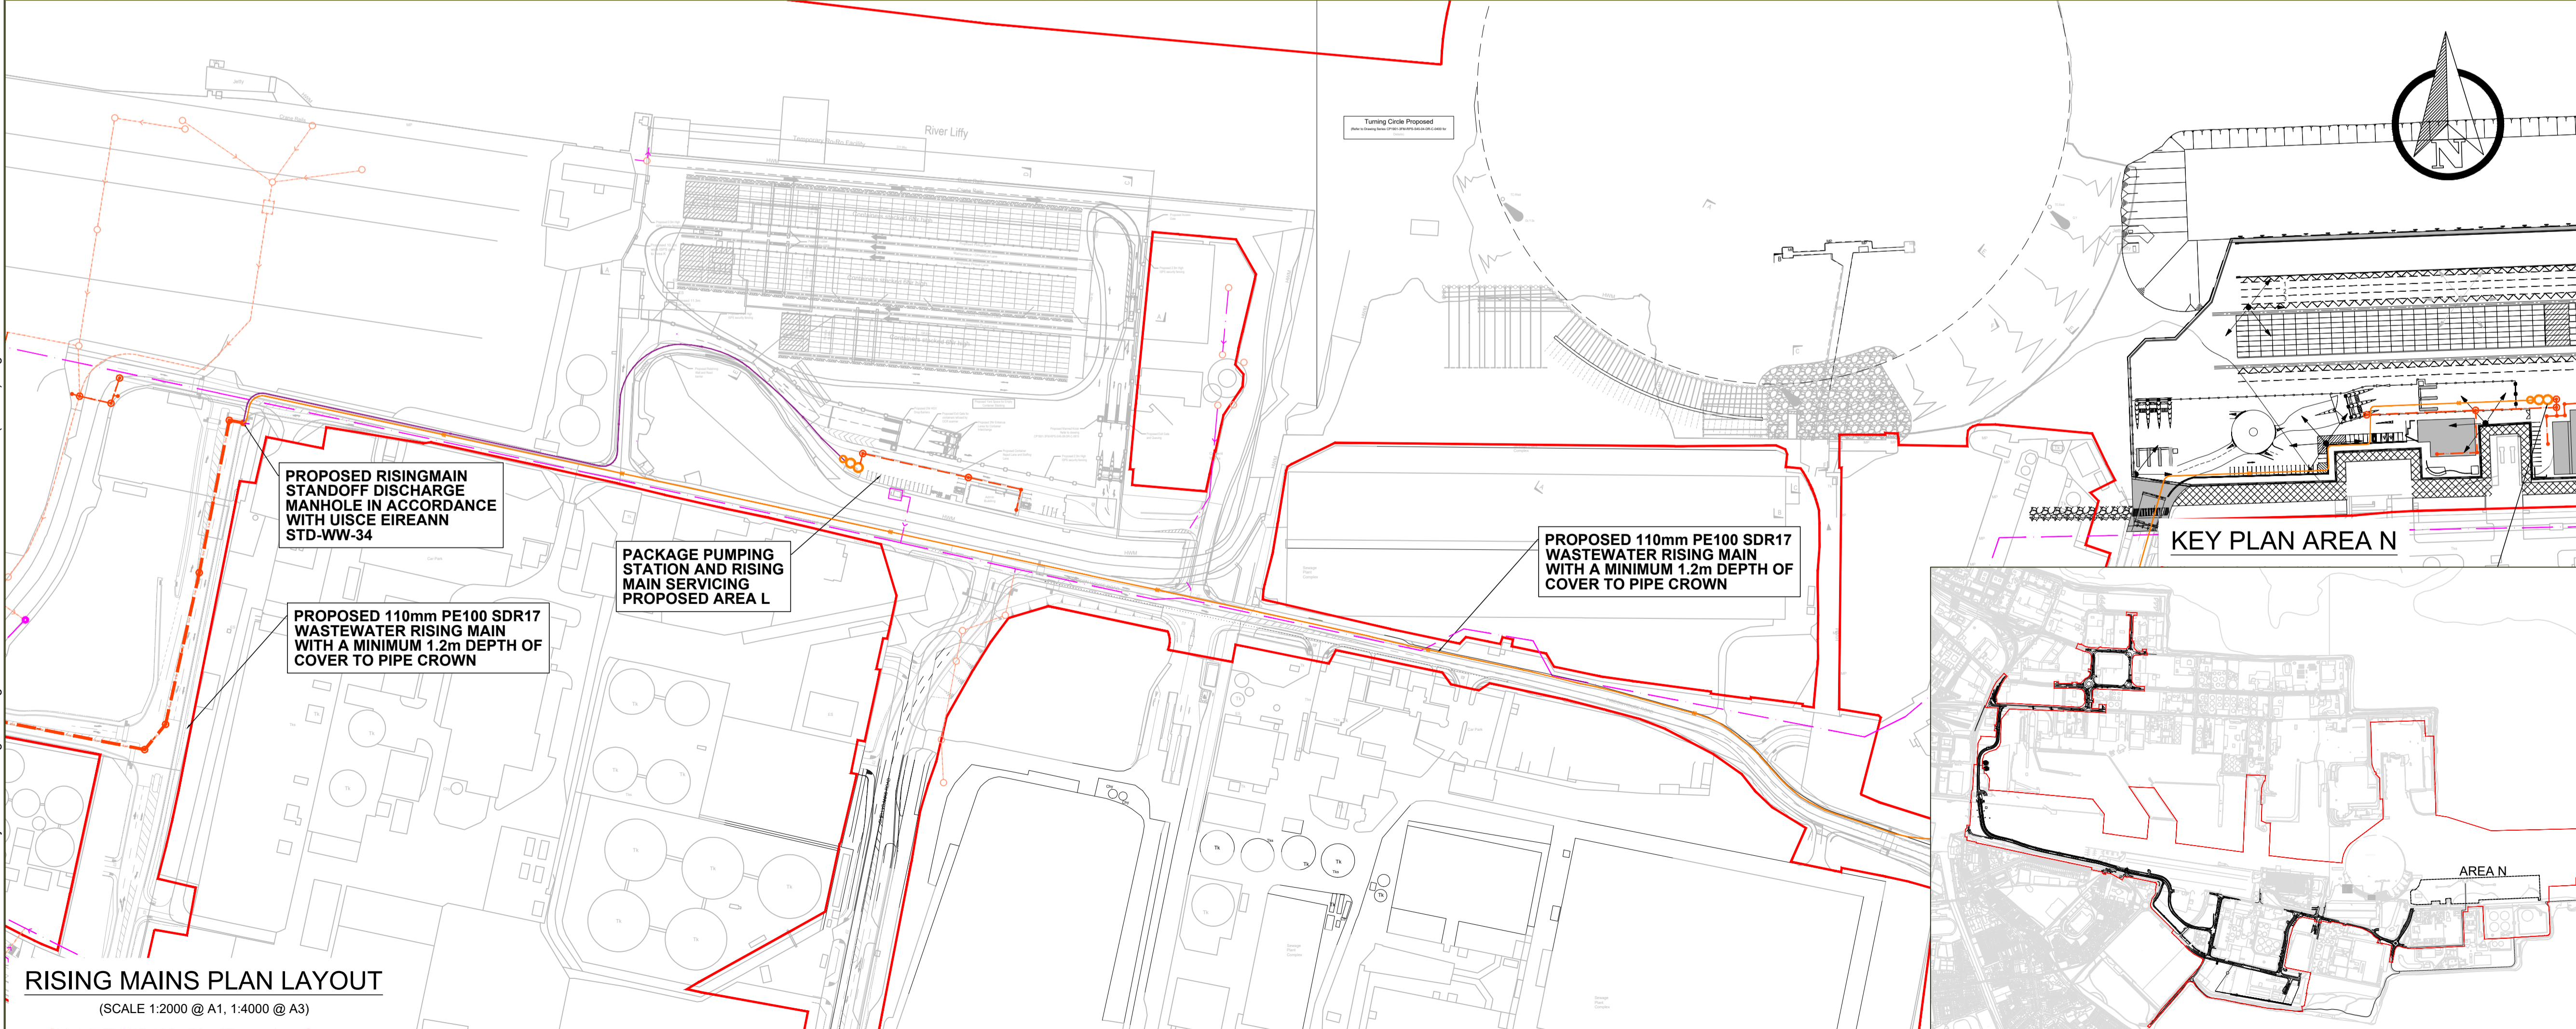

- This document is the property of RPS. The design information contained herein is strictly confidential. This document is not to be used, reproduced, disclosed or circulated in whole or in part without the prior written permission in each instance of 'RPS'.
- Issue of Drawings. Hard copies, dwf and pdf will form a controlled issue of the drawing. All other formats (dwg, dxf etc.) are deemed to be an uncontrolled issue and any work carried out based on these files is at the recipient's own risk. RPS will not accept any responsibility for any errors arising from the use of these files, either by human error by the recipient, listing of un-dimensioned measurements, compatibility issues with the recipient's software, and any errors arising when these files are used to aid the recipient's drawing production, or setting out on site.

## WASTEWATER NOTES:

- ALL PUBLIC WASTEWATER DRAINAGE TO BE IN ACCORDANCE WITH UISCE EIREANN STANDARDS, NAMELY IW-CDS-5030-03 & IW-CDS-5030-01 AND IW-TEC-800-01.
