

NOTES

- Verifying Dimensions**
The contractor shall verify dimensions against such other drawings or site conditions as pertain to this part of the work.
- Existing Services**
Any information concerning the location of existing services indicated on this drawing is intended for general guidance only. It shall be the responsibility of the contractor to determine and verify the exact horizontal and vertical alignment of all cables, pipes, etc. (both underground and overhead) before work commences.
- Issue of Drawings**
Hard copies, PDF and print will form a controlled issue of the drawing. All other formats (img, pdf etc.) are deemed to be an uncontrolled issue and any work carried out based on these files is at the recipient's own risk. One of these files shall be permanently stored on the recipient's hard drive. These files shall be maintained by the recipient. Listing of unredemptions measurements, compatibility issues with the recipient's software, and any errors arising when these files are used to aid the recipient's drawing production, or setting out on site.
